辽宁科技大学硕士生导师基本情况登记表

					1973.10			
		13704120200				wangli66@163.com		

1991.9- 1995.7
1997.9-2000.3
2001.3-2004.3

1995.7~

Data mining and Big data analysis.

1. An Attention Approach for Dimensionality Reduction That Can Correct Feature Collection Skewness   IEEE Access   2022

2. Large Graph Sampling Algorithm for Frequent Subgraph Mining   IEEE Access   2021

3. SELNN   Effective Crossover Features by Attention Mechanism and Logarithmic Conversion for CTR.2021   Computer Technology Engineering   2021

4. Three-Dimensional Packing Algorithm of Single Container Based on Genetic Algorithm, Communications in Computer and Information Science, 2020.

5. A Location Allocation Method Based on Association Rules, Journal of   Technical Association, 2018
